Chamber Orders Incorporation Meeting; Boundary Problems Delaying Proposal

To Study Incorporation Proposals

San Diego Eyes Cityhood Moves

SAN DIGEO (CNS)—A study to determine the effect of any incorporation of Lemon Grove and Spring Valley was ordered last week by the City of San Diego.

The City Council instructed City Manager Tom Fletcher to bring back a study after rejecting one councilman's suggestion that the City of San Diego should be selling its "package" to the people of the area.

Harry Scheidle, councilman, said that the people pushing the proposed annexations in the two areas had "put together quite a package," then added that perhaps "we should be pushing our own package out there."

Councilman Justin Evenson questioned whether it was to San Diego's benefit to allow the growth of a number of what he called "little satellite cities" living on San Diego's "lifeblood."

Copies of the notices of intention to circulate petitions in the area brought about the discussion by council at last Thursday's meeting. The proponents of incorporation had filed them in order to avoid falling under the jurisdiction of a new superagency, the New Agency Formation Commission, which will control all future annexations and incorporations.

Mayor Charles Dail suggested that an offer of assistance "to either side that wants it" be made.

Walter Hahn, assistant city manager, noted that the wisdom of annexing the area would have to be determined after a number of factors were determined, such as the boundaries being considered in the proposals, so that administrative costs could be determined.

The council appeared to agree that the city should have an observer at the Board of Supervisors hearing on any proposed incorporations in the area but San Diego's stand will have to await further study.

Deputies Pursue Battery Suspect At Speeds of 110

Sheriff's deputies last Sunday night chased a Lemon Grove battery suspect in hot pursuit from North ave. in L.G. to Euclid and Highway 94 before arresting him on seven counts.

The suspect, John Joseph Blecha, Jr., of 1932 Madera st., L.G., when he saw the deputies allegedly took off on North ave. speeding at 60 mph in a 25 mph residential zone. The deputies who went after Blecha with red lights flashing and sirens screaming said Blecha went through a stop sign on North ave. and turned west on Broadway traveling at approximately 85 mph in a 35 mph speed zone.

Blecha's speed on Highway 94 was estimated by the deputies as 110 mph. He was finally cornered at Euclid and Highway 94 by Earl Edwin Meech, a private investigator, and Don Garrett, 3959 Fourth st., S.D., who boxed Blecha in between the patrol car.

Blecha, 30, who had a record of 10 other offenses, was arrested on a charge of battery, reckless driving, two speed violations, failure to yield to red lights and sirene, threatening with a knife and disturbing the peace.

Prior to the chase, Blecha allegedly entered the home of his wife, Diane Irene Blecha of 7560 North ave., where he held a 6 inch kitchen knife to her throat saying, "I could kill you right now and never think twice."

He then allegedly put down the knife and said, "But I wouldn't waste my time."

Hughes Discusses Hi School District Tax, Bond Issues

A special election, called by the Grossmont Union High School Dirict Board of Trustees for October 29, was discussed by the Santee Lions' Club, at 7 a.m. October 3 at the Carleton Oaks Country Club.

Harold G. Hughes, representative of the Grossmont Committee for Good Schools, discussed the proposed bond issue and the tax-limit renewal to be on the October ballot.

Trustees are asking voters to authorize bonding of the district to capacity to build a new high school in Santee to relieve overcrowding and threatened half-day sessions at El Capitan High School, one of seven high schools in the District. The rest of the $4,400,000 will be used to repay an existing state loan used to build El Capitan, Granite Hill, Monte Vista high schools and additions to Grossmont, Helix, Mt. Miguel, and El Caon Valley high. The repayment now would reduce interest costs over the next eight years.

"A financially limited District such as Grossmont must make every effort to save the taxpayers' money, and lowering interest costs is one thing we can do," Hughes said. The measure requires a two-thirds majority to pass.

Renewal for five years of the tax-limit of $1.50 to pay high school operating expenses is required by state law and does not ask an increase. In fact, Grossmont District uses only $1.23 of the rate, three cents less than its used last year. The renewal required a simple mapority, and if not passed, would by law return the rate to 75 cents.

HEADQUARTERS DEDICATED — Fred J. Hansen, left, president of the La Presa County Water District; Fred Heilbron, center, chairman of the San Diego County Water Authority; and James E. Schutte, president of the Otay Municipal Water District formally dedicate the two districts' new $65,000 joint headquarters building. The 3,000 square foot building, located at the intersection of Sweetwater Springs blvd. and Jamacha blvd., was designed by Stanley J. French, A.I.A, of Boyle Engineering, engineers of both districts. Dedication eceremonies were September 20 with Heilbron as guest speaker.

16 Boundaries Invalidated

SAN DIEGO (CNS) — Proposals to incorporate Lemon Grove and Spring Valley will be considered next Monday by the County Boundary Commission, but there are indications of some delay on the Lemon Grove proposal because of description problems.

Proponents of the incorporations asked last Monday for immediate approval of the boundaries, but were declined because there had not been time to check the application.

Frank Armstrong, local attorney, said yesterday that there are no major discrepancies in the boundaries proposal for the incorporation of Lemon Grove.

He said the problem is that some of the boundaries run along the middle of streets. A revision in the legal description of the proposed "package" will be made with the help of the engineer boundary commission and Union Title Insurance and Trust Co., according to Armstrong.

Rudolph Benitez, commission engineer, told County News Service that there had been several problems with the descriptions of the boundaries for the Lemon Grove incorporation. He said he was considering returning it to the proponents for corrections, because 16 out of 22 boundary courses so far checked had been invalidated.

He said that there had been few problems with the Spring Valley incorporation proposal.

As submitted to the County Board of Supervisors by Frank Armstrong, who headed the L.G. Men's Club incorporation committee, the proposed incorporation of L.G. would use as its western and southern borders the city limits of San Diego. The northern boundary would be shared with the city of La Mesa.

The dividing line between Lemon Grove and Spring Valley would go down the east side of Sweetwater rd. to Blossom ln. west to Osage, and south to Potrero, east to Carlsbad and then south to a line with Sweetwater Lake.

The southern boundary of Spring Valley would encompass most of the developed territory in Spring Valley and La Presa eastward to Avocado blvd.

The eastern boundary would follow Avocado northward to Louisa ln. and then west on a line along Estrella dr., a theoretical section line just north of Tropico dr. on westward to Bancroft. The boundary turns south and crosses Campo rd. at Merritt dr., following along the south and crosses Campo rd. at freeway, where it turns south at Airway dr. following southward until it intersects Sweetwater rd. at the rear of the propert lines facing on the north side of Lamar st.

Brookside and Spring Valley Highlands will be placed within the Lemon Grove boundaries.

Most of the undeveloped land in the Spring Valley and La Presa was excluded from the proposed new city.

Golf Range OK'd Near Mt. Miguel

SAN DIEGO (CNS) — A special use permit for a golf driving range and putting green on Sweetwater rd. at Blossom ln., Lemon Grove, was approved Friday by the County Planning Commission.

The permit was granted to the Sun Driving Range for former dairy property on Sweetwater opposite Mt. Miguel High School.

The developers will be required to install a 20-foot-high wire mesh fence to prevent stray golf balls from landing on houses south of the course. The fence must also be landscaped.

All lights must be shaded and directed only onto the property. Hours of operation will be until 11 p.m. A four-year time limit was placed on the permit.

Stickers are on sale for 25 cents each.

Meeting Set Tuesday Nite

The Lemon Grove Chamber of Commerce, with money in the bank for the first time in several months, took two jumps forward Tuesday at its regular directors' meeting.

The directors ordered its president, Sam Pernicano, to call a membership meeting Tuesday at 7:30 p.m. at the L.G. Junior high school auditorium for an open forum on incorporation.

President Pernicano asked Attorney Frank Armstrong to preside at the public meeting and be prepared to answer pertinent questions. Armstrong had been selected by the L.G. Men's Club earlier to form a committee of "15 or 20 persons" to study incorporation and make a recommedation to the community.

Lester Freeman, former city clerk of the City of La Mesa, agreed to attend the meeting and present arguments against incorporation. Freeman has long been an advocate of Lemon Grove annexing to La Mesa and more recently has indicated that he will seek a seat on the council of the City of La Mesa.

Meanwhile, Armstrong had filed a notice of intention to incorporate with the County Board of Supervisors to exclude the community from Assembly Bill 1662, a new law, for 90 days. The Bill establishes a five-man commission to decide whether or not a community may hold an election for cityhood.

In another action the board of the chamber instructed its street lighting chairman, Robert Hutter, to commence a street lighting district in San Altos. When that district is formed, annexations will be permitted even though the added districts are not continuous, Jack Hardi, a representative of the San Diego Gas and Electric Co., told the directors.

The new bank balance of approximately $250 now being enjoyed by the Chamber is the result of a raffle project and contributions made by three service clubs in the community to keep the organization solvent.

Without Fanfare Schools Teach Gifted Youngsters

One of the biggest discoveries since Balboa topped a hill and first laid eyes on the Pacific Ocean has been the discovery of the gifted child.

This specially-endowed youngster has been with us for quite a long time, of course. And, without fanfare, in classrooms presided over by able, conscientious teachers, special things are being done for the gifted child to help him take advantage of his "giftedness" — to realize his full potential.

Only in the last few years, however, has the gifted child become a public concern, like the water supply and traffic bottlenecks. He is now a "national resource." Books are written about him. "Togetherness" magazines are full of him. Parents of bright youngsters eye them anxiously, as if looking for symptoms of chicken pox. What grown-ups are really looking for are those "10 Easy Ways to Tell If Your Child Is Gifted."

All in all, brains have come into their own. The egghead has emerged from his shell. Said a gifted teen-age girl, "It has become almost as fashionable to have a high I.Q. as high heels."

This marked and somewhat sudden reverence for intelligence has proved both a boon and a worry for school people. Many of them are secretly pleased that public sentiment now considers schools to be at least as important for learning as for getting muscular young men started on their way to careers in professional football.

But it's also a new challenge to teachers, administrators and the schools in general.

The problem of meeting the needs of gifted children is not a simple one. Do you segregate them — put them off in groups of their own, so they won't be held back by the slower ones and can romp ahead at top speed? Or do you try to meet their needs within the framework of the regular classroom? Do you accelerate or enrich — hurry a bright child through a course and perhaps let him skip a year, or keep him where he is and broaden and deepen the areas of his learning and experience? And how do you avoid creating an "elite" group of students?

These are some of the problems being pondered by educators.

"There are two main points of view," summed up an education specialist. "One is this: Unless you identify the bright or gifted children and pull them out into a special project, you're not meeting their needs. You have to do something conspicuous for them.

"The other point of view is that if the teacher is flexible enough, the children in her class don't all have to be on the same page of the same book at the same time. The bright child can be doing special research of some kind — enriched work — while the less bright child is making his own particular contri-

Fire Insurance Rates Drop in Lemon Grove

New, low fire insurance rates are effective in Lemon Grove as a result of a new fire department classification, Fire Chief Harold "Pappy" Hensley announced this week.

John Dail, a local insurance broker, said the three-year cost of a home-owners policy for a $12,000 dwelling would be reduced from $153 to $120.

The new rates would lop approximately $11 a year off the fire insurance costs of the average Lemon Grove homeowner. Dail said he is asking his companies to make the change retroactive to September 1st., the date the new grading became effective.

Jack Duram, another broker, said that "the change is a bureau change and any bureau company is subject to the same rates."

The Lemon Grove Fire Department was informed of the lower rate by the Pacific Fire Rating Bureau of Los Angeles, the organization that sets classifications in the state's fire districts by which the insurance rates are figured.

The Lemon Grove Local Fire District was given a class 6 rating in 1954. On Sept. 27, a rating of 4 was given because of "very material improvements ...in both the water system and fire deparment sections."

Chief Hensley said "the better rating is gratifying because we have worked hard to provide the best protection possible. The better rating shows we have been successful."

Hensley said the San Diego Fire Department varies from a rating of 3 to a rating of 9. Spring Valley is rated at 6 but is expecting a new rating shortly, reported S.V. Fire Chief Frank Berger.

The lower the rating the lower the insurance rate charged to insurance buyers in the district.

Hensley said the insurance firms would enjoy a dramatically reduced insurance cost because a greater insured bulk existed with each firm.

S.D. Port Delivers Cheaper To L.A. Than L.A. Port Spokesman Tells Men's Club

"A low level highway won't make or break the San Diego economy," Dr. Douglas McElfresh, member of the San Diego Port Authority, told the Lemon Grove Men's Club Friday.

He said the San Diego Port can unload cargo and deliver it to the Los Angeles area cheaper right now than the Port of L.A. or the Port of Long Beach.

"As the port grows and becomes more efficient, it will become the cornerstone of San Diego's economy," he added.

A study being made by the U.S. Engineers for a second channel will continue for at least two more years, he said.

"Your federal funds are being channeled into the Port of New Orleans and the Port of Sacramento," he told the club. "The Port of S.D. Unified Port District prefers construction and development by competitive bid and private enterprise with the federal government doing only those things we cannot do for ourselves."

Dr. McElfresh, an optometrist, has been a civic leader for years. He is active as a director or as an officer of the County Optometric Society, The North Park Business Mens Club, the Toyland Parade Assn. and the San Diego Rotary Club.

The Men's Club this week will hear the Rev. George Walker Smith, a candidate for the

Miss L.G. To Lead Parade Of '64 Fords

Lemon Grove business firms will help celebrate 1964 Fords' arrival by taking part in a parade-showing Friday evening, Don Johns, president of the Merchant's Division of the L.G. Chamber of Commerce, said this week.

The parade will start east on Broadway at 7:30 p.m. Friday according to Pat Grace, manager of Spear's Ford.

Marcia Manu, Miss Lemon Grove, will be escorted in the lead car and Lemon Grove dignitaries will occupy the following cars.

The entourage will travel along Broadway to Grove street where it will wrap around the block, back to Broadway and Imperial where the new Fords will be on display along the plaza near the lemon landmark.

Lemon Grove business firms will participate in the promotion by distributing free tickets to the Ace Drive-in Theatre. The tickets are good for admission any night next week from Monday through Thursday to any group driving a Ford. The car may be any year or any model, but it must be a Ford, Grace said.

About 2,000 of the tickets have been placed in the hands of local business firms. These will be given to anyone, regardless of what kind of car he drives. To be good for free admission, the user must be in a Ford, Grace emphasized.

Eye Disease Free Clinic Is Sunday

L.G. Man Dies When Car Flips

A Lemon Grove carpenter was killed early Friday morning when he lost control of his car, ploughed into an embankment at 57th and Market sts. and overturned.

The man, Charles D. Green, 23, of 7928 Barton dr., Lemon Grove, was pronounced dead on arrival at Paradise Valley hospital. A passenger, Clarence Russell, Jr., of San Diego, was not injured.

Russell told police he and Green had been drinking beer during the evening. Russell said that when they left a tavern in Encanto, Green drove too fast and frightened him. Russell said he reached over and turned off the ignition switch. When Green turned the switch back on, the car accelerated and hit the dirt embankment, Russell said.

Green's head was out of the window when the car overturned, he added.

Services were held Wednesday for Green followed by burial at Ft. Rosecrans National Cemetery. He is survived by his mother, in Arkansas, two brothers and five sisters, including Mrs. Muriel F. Albasini of the Barton dr. address in Lemon Grove.

WHISTLE WHILE WE WALK — The Seven Dwarfs, portrayed by PTA mothers, visited Rancho elementary school classrooms this week to kick-off the PTA's annual membership drive. Each classroom at Rancho is represented by a different Disney character. A replica of the Matterhorn is in the school cafetorium with cutouts of the Disney characters around the bottom. The first room that gets their character to the top by having 100 per cent PTA membership wins a party and a second visit by the seven dwarfs. Dwarfs front to rear are Pat Michaels as Grumpy; Pat Peterson, Bashful; Pearl Ewing, Doc; Charlene Viau as Happy; Dot Cortopassi, Dopey; Catherine Patterson as Sneezy; and Lurline Peretti, Sleepy.

Law Class Open To Local Adults

SAN DIEGO GAS & ELECTRIC CO.
suggests

For our October cooking schools we have several exotic-sounding menus you'll love to prepare at home—like Chicken of the Gods and Shrimp Egg Rolls. We plan on teaching you the tricks and basic cooking methods of oriental foods. The theme for our program is "From Our Oriental Cook Book."

The cooking school will be Tuesday, October 8, from 12:30 to 2 p.m. and again on Tuesday, October 29, from 10 a.m. 'til noon, in the comfortable auditorium of San Diego Gas & Electric Company's Eastern District office, 104 North Johnson Street, El Cajon.

Join us won't you. I'll explain the fundamentals of oriental cooking, including Chinese, Japanese and Pacific Isand foods.

The Chicken of the Gods recipe we'll give you is the favorite of many San Dicgans who have enjoyed this elegant dish at the Bali Hai restaurant on Shelter Island. We'll also prepare Lobster Cantonese, Chinese Beef Tomato, Barbque Spareibs with Plum Sauce, and Mustard Greens Soup — a delectable favorite made from Pork Broth and Chinese Greens.

Come and bring a friend. Admission is free and there will be free door prizes as usual.

S.V. Society To Dedicate Portrait of H. Bancroft

A portrait of Hubert Howe Bancroft, famous historian of California, will be formally dedicated to the Bancroft Ranch House Museum on Memory lane in Spring Valley October 14.

The portrait was donated to the museum by Phillip Bancroft, a son of the renowned author, who lives in Walnut Creek near San Francisco.

Dedication ceremonies will be part of a special meeting of the Spring Valley Historical Society beginning at 7:30 p.m. in the Bancroft Museum. Residents and early settlers of the Spring Valley area are especially invited to the meeting, according to Luke Barbour, president of the society. Refreshments will be served.

Plans are being made by the society to keep the museum open October 21-27 during Valley of Promise Days. Barbour said the society is always interested in receiving donations ofdocuments, pictures, relics and other historical artifacts from the local area for the museum.

Time Dwindles for PP&K Football Try

Lloyd Fish, competition director for the Lemon Grove-Spring Valley Punt, Pass and Kick Competition for grade school boys, has warned that only a few days remain in which boys can register for the test of football skills which could lead to a Washington, D.C., and Dearborn, Michigan "Tour of Champions," and an appearance at the National Football League Championship game.

"Registrations will close Thursday evening, October 10," Fish said, "and none can be accepted any later, since we must draw up our competition lists and get everything ready for the big program Friday, October 11 at the L.G. Junior high school playgrounds."

Headquarters for registration for the Punt, Pass & Kick Competition, open to all grade school boys eight through 11, is at Spears Ford in Lemon Grove. Entrants must be accompanied by a parent or guardian. There is no charge for registration nor is any special equipment needed. Competitors will vie with others of their age groups in distance and accuracy competitions in the passing, punting, and kicking (using a kicking tee) of footballs. There is nobody contact.

Prizes in the Lemon Grove-Spring Valley competition include warm-up jackets for the top winner in each age group, football helmets for second place winners, and autographed footballs for third place winners.

Area winners, determined by comparing scores of all state winners, will receive expense-paid trips for themselves and their parents to National Football League games for half-time competition to determine the eight finalists.

National finalists and their parents will receive expense-paid trips to the White House and to the Henry Ford Centennial at Dearborn, Michigan. This will be followed by a trip to the championship game of the National Football League, where the national winner in each age group will be determined by a half-time competition in the crowded stadium.

The local Punt, Pass & Kick Competition is sponsored by Spears Ford, with the L.G. Rotary club as co-sponsor. The program, in which 431,921 boys competed throughout the country last year, is sponsored nationally by Ford Division of Ford Motor Company and the National Football League.

FLOOD SQUAWK IN L.G. BEING STUDIED

SAN DIEGO (CNS) — The county today is investiagting a Lemon Grove group's complaint that run-off from the L.G. Greenspot Park has been flooding homes on the west side of Washington st.

Carl Panhorst, of 2270 Washington, headed a petition requesting adequate drainage be provided for the park at Alton and Washington.

Supervisors instructed Warren Barney, director of special district services to have his flood control engineers study the problem.

Man Reports His Death To Sheriff's Office

A man called the Sheriff's office last Thursday afternoon and told deputies to send an ambulance to 9602 Lemon st., Mount Helix, because he was going to shoot himself.

Deputies arrived at the Lemon st. addess and found Ray Donald Brommel of Westminster, Calif. lying on the floor with a .22 cal rifle cradled in his arm. Brummel, who was staying at the Mt. Helix address, was transported by ambulance to Grossmont hospital and was dead upon arrival. A suicide note said he could not live without his wife and children.

Caught with Gun

A Lemon Grove resident and ex-convict was arrested last week on Thursday on a charge of drunk and possession of a gun when he was found sleeping in a car in the parking lot of a local restaurant.

Arrested was Michael Donald Keegan of 1649 Madera ave., L.G. who claimed he was returning the revolver to its owner who was in the restaurant.

Drunk Driving

A Spring Valley woman, Beverly Harriett Downey of 1567 Gowin, was arrested last week on Wednesday on a charge of drunk driving. She was followed by two witnesses from College and Broadway in Lemon Grove who said she bumped the center island two or three times, crossed between eastbound lanes nearly colliding with parked cars and almost hit three utility poles on Sweetwater.

Sheriff's deputies who followed her a quarter of a mile said they observed her cross and weave up the centerline causing two oncoming autos to pull off the road.

S.V. Girl Missing

Jeanne Marie Marchant, 18, of 3521 Fairway dr., L.G., left home September 24 telling her parents she was going to get married. She also said in her note that she would contact her parents in a few days telling them her whereabouts.

After waiting a few days, William B. Marchant, Jeanne's father, called the North Carolina home of the sailor she had been going with. The sailor, Bobbie L. Caudle, 19, was at home but without Jeanne Marie. It was later reported that Caudle had Marchant's automobile and Caudle and a companion were AWOL from Squadron VU-7, North Island.

Can't Sleep

Wayne Thomas Ford, 20, of 1040 Gillespie st., S.V., was arrested last Monday morning on a charge of disturbing the peace by citizen R. C. Black of 1026 Gillespie. Neighbors complained that Ford had been busting windows, screaming, shouting and crying.

"This had got to stop, we can't get any sleep," one neighbor said.

Found Dead

Sheriff's deputies were summoned at 4:30 a.m. Sunday by Mrs. Delores Edwards of 1541 Taft st., L.G. who needed help in getting her husband back to bed.

Mrs. Edwards said she was awakened by a sound of a crash from the kitchen. She found her husband, Bruce Mac, 51, laying beside the refrigerator with a milk bottle smashed on the floor beside him. She said she dragged him away from the refrigerator and cleaned up the broken glass before calling the sheriff's office.

The L.G. Fire Department was called at 5:30 a.m. and all efforts with the resusitator were in vain. Dr. James C. Kenaga, the family physican, later pronounced Edwards dead.

Hot Weather Break

The hot weather really took its toll last Thursday on an 18-year-old Lemon Grove youth who was found sitting unconscious alongside his car dressed only in a pair of jeans.

Arrested on a charge of drunk was Richard C. Ruiz of 2536 Pergl st. who alledly had two or three beers and whose attitude was cooperative. Too intoxicated to take the sobriety test, Ruiz reportedly remarked, "I'm in Chula Vista."

Reckless Driving

A 20-year-old El Cajon man was arrested Monday afternoon on a charge of reckless driving. He is Neil Allan Mac Clellan of 363 Hosmer, El Cajon, who allegedly was driving on the center line of Highway 80 and was talking with a driver of another vehicle blocking traffic.

MacClellan and the other car turned off Highway 80 on Grove st. and deputies said they observed MacClellan with his shoulders and the upper part of his body out the car window looking at the rear of his car, and driving from one lane to another. He then allegedly drove south in the north bound lane of Grove st. causing other vehicles to swerve into on-coming traffic to avoid a head-on collision.

bution. This school of thought holds that it's not necessarily a handicap for youngsters of different intellects to be together."

Traveling Lady's Point of View

That was quite a hassle some of the parents in the San Altos school area mounted a couple of weeks ago because their youngsters were being transported by bus to a kindergarten at another district school.

A group of these parents met with San Altos Principal Douglas Giles and District Superintendent Byron Netzley to see if some of these youngsters (seven in all) couldn't be accommodated at the San Altos kindergarten.

Places couldn't be found for any of them except one little girl whose doctor suggested she stay closer to home.

You'd think happiness would reign, at least with this youngsteter and her parents, but such is not the case.

The little miss wails most of the day while in San Altos school and complains bitterly at home that she doesn't like the new arrangement.

What she liked best about kindergarten - the bus ride - had been taken away from her.

Copper Color Cars

Sheriff's Fleet Gets Distinctive New Look

Half the Sheriff's patrol car fleet will operate on county roads this year with a distinctive new look.

New patrol and resident deputy cars with copper tone bodies and white roofs are being received by the Sheriff's department from the Ford factory, which received the contract this year, Sheriff Joe O'Conner said.

About 28 cars with the new look are presently in operation, and the department receives 10 new cars a week, O'Conner explained. Half the fleet, which includes over 100 cars, will be copper and white and the other half black and white. At this time next year, the entire fleet will have the copper and white pigment, he said.

Sheriff O'Conner and his staff decided on the new color so that Sheriff patrol cars could be identified easily from those of the police and marshall, Lieutenant Fred Mannen, of the Sheriff's office, said.

"The white roof keeps the cars from five to eight degrees cooler in the back country than the black and white models," Mannen said. "They also are easier to keep clean."

GROSSMONT BOARD CONTINUES TO MEET IN HIGH SCHOOLS

The Grossmont Union High School Board of Trustees will hold its next regular meeting Monday, October 7, at 7:30 p.m. in the Mt. Miguel high school cafetorium.

The board is continuing the policy it started last year of holding one of its regular meetings in each of the high schools in the district. Trustees feel the arrangement will encourage and give grater attendance opportunity for those who would not normally attend the meetings.

The Mount Migeul PTA will be host at the meeting and is urging all those who are interested in their children's education to attend.

Lions Sight Project Set This Week in L.G.-S.V.

White Cane Days are being marked in Lemon Grove and Spring Valley Friday and Saturday by Lions Club members collecting for sight conservation.

Lions Club members will circulate among those congregating at markets and other business places with white cane cannisters. Funds collected will remain in the community from which it is collected.

In past years, many children have been supplied with visual care by the Lions project who otherwise might not have been known and subsequently unearned for.

Numerous sight projects have been undertaken and fulfilled by local clubs. The "eye room" at Grossmont hospital has been financially assisted by funds from the Lemon Grove drive.

The Lemon Grove Lioness Club will participate this year according to Lioness President Helen Browne. The women will circulate among the various business establishments as the drive gets underway this weekend.

GROSSMONT HOSPITAL DISTRICT
ACCOUNTANTS' REPORT

The Board of Directors
Grossmont Hospital District

We have examined the balance sheet of the Grossmont Hospital District for the year ended June 30, 1963. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances

In our opinion, the accompanying balance sheet presents fairly the financial position of each fund of the Grossmont Hospital District at June 30, 1963, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Helix Musicians To Earn Uniforms

New uniforms are on their way to replace the tattered green and gray uniforms of the Helix High School Band, and no one is revealing the new style until U-Day, when everyone is attired.

To earn the new uniforms, Helix high musicians are participating in an advance ticket sale to the Band Jamboree scheduled for Nov. 2 at 7 p.m. in Aztec Bowl.

All seven high schools of the Grossmont District will take part in the gala concert.

To spark the advance ticket sale, Helix Band members are divided into teams, and a prize is being offered to the group that demonstrates the best salesmanship starting October 5, from house to house.

The sale force includes marching band, concert band and beginning band, all directed by Charles Yates, whose summer classes trained incoming members. The specialty corps of red-plaid costumed girls, under Mrs. Paula Harcos' leadership, will accompany the band as it plays and marches in intricate patterns and formations on the field.

Helix High PTA To Meet Tonight

Senior activities, college admissions, scholarships and vocational opportunities will be discussed and explained at the Helix high school PTA meeting tonight, Oct. 3, at 7:30.

Leonard E. Busch, senior counselor, will lead the discussion in the school Cafeteria. Thomas Lean, PTA president, said all senior parents will greatly benefit from the meeting.

Plans for a membership drive October 6-11 will be made at a meeting this week in the home of Mrs. Lloyd Nelson, membership chairman. President Lean, Mrs. R.T. Bullock, parliamentarian, and Mrs. H. M. Shockley, publicity chairman, will assist.

COLLEGE TO HONOR NEW FACULTY WOMEN

The Faculty Women of San Diego State will honor new faculty women at a tea October 4. Tea will be served in the Living Hospitality Center of the home economics building from 2:30 to 4:30 p.m.

Pouring will be four professors, each of whom has over three decades of service to San Diego State: Guni Guinivere Bacon, Dr. Elizabeth Brown, Christine Springston and Mrs. Alvena Storm.

In charge of general arrangements for the welcoming tea are Mrs. Evangeline LeBarron of 9418 Montemar, Spring Valley, Dr. Katherine Ragen, Mrs. Alice Thomas and Dorothy Tollefson.

Division and department representatives include Dr. Gail Burnett, Beryl Campbell, Dr. Mable Myers, Mrs. Doris Murdock and Dean Margery Warmer of 10341 Toledo ave., S.V.

Cub Pack 318 Now Taking New Members

Cub Pack 318, sponsored by the Lemon Grove Congregational Church is now enlisting new members from Mt. Vernon, San Miguel, and Golden avenue schools.

"Make Believe" is the theme for October in Cub Scouting, and any boy between the ages of 8 and 11 is eligible to participate in the program. Parents interested in registering their boys in Cub Scouts should call Arthur Mercer at 469-6370 for full details.

Kempton Elementary School Dedicated 19th in District

Kempton Street elementary school was dedicated September 19 at the first regular meeting of the school PTA.

Over 300 parents, children, teachers, administrators, board of education members and guests attended the evening dedication.

Dr. Cyril Padfield, president of the La Mesa-Spring Valley school board, accepted the school on behalf of the board, and Mrs. Ronald Duncan, PTA president, accepted for the community.

Glenn E. Murdock, superintendent of the La Mesa-Spring Valley School District, confirmed the certification of the building.

The school, which is the 19th in the La Mesa-Spring Valley School District, was constructed under the State Aid program. It consists of two kindergarten rooms, 16 classrooms, multipurpose room and office unit. Construction cost, including buildings, grading, fencing, drainage control, and utilities, was $504,137. This amount is $39,157 or 7.2 per cent below the State Aid allowance for this project.

The school utilizes a new type of design in which more instructional space is provided than in the typical school, even though this design provides less total over-all space.

As of Spetember 20 there were 631 students enrolled. The school has a capacity to accommodate 638 kindergarten through sixth grade pupils.

Before moving into the completed structure, students and teachers were housed in Avondale, Casa de Oro, Highlands, and Bancroft elementary schools. Staff and students occupied the new buildings on April 5, 1963.

DRYDEN TO BE SEMINAR STAR ATTRACTION

Robert Dryden, manager of the U.S. National Bank of Lemon Grove will present one of eight programs of an 8-week seminar which has been developed by American Institute of Banking at the La Mesa Office of the U.S. National Bank, at 7 p.m. Monday.

Dryden will speak the first hour on the "Early History of Money and Banking" and his talk will set the scene for a comprehensive appraisal of the role of banking in a free-enterprise economy, as well as providing the students with a means of evaluating banking as a career.

Dryden is manager of the Lemon Grove Office of U.S. National Bank, and is a member of the Grossmont District School Board.

PTA To See Film Of Kobush Fire

John Ott, of the Lemon Grove Fire Department will speak at the San Miguel PTA meeting October 10 at 7:30 p.m. A film will be shown on the Kobush Warehouse fire which occured in Lemon Grove a couple of years ago.

"What Makes a Good Father" will be the subect of a discussion by a panel of sixth grade fathers and sons during the program.

Also on the program will be the judging of a father and child cake baking contest. Ribbons will be awarded for the best tasting, best decorated and most original cakes.

Fifth and sixth grade mothers will serve as hostesses.

"Bee" Concerned - "Bee" a Member' is the slogan Mrs. C. L. Hart has chosen for the PTA membership drive October 7-11. Awards will be presented to rooms with the most memberships and a special award to the room with the most fathers joining.

The board voted to credit fathers attending PTA meetings during the year with two points instead of one for the room count.

Lady To Be Queen On National Show

BACKYARD SWIM ACT — Mrs. Dema Pledger of 1920 El-Dora, Lemon Grove, an instructor in the Backyard Swim program this past summer, trained two of her students to do a swim act. Jeralyn Klark, 11, left, and Patricia Pledger, 12, right, do the act which consists of pool-side ballet, synchronized swimming and diving. They have performed at many of the Backyard Swim classes in Monterey Heights. Above they swim the length of the pool holding lighted candles. Jeralyn holds her intermediate card, and Patricia her junior life saving card.

Lemon Grove Day will be held on the nationally popular "Queen for a Day" program November 20 according to Capt. (USN ret.) Jesse E. Lee, operator of the the L.G. Travel Bureau.

The project is being sponsored by the Merchants Division of the L.G. Chamber of Commerce to raise operating funds for the Chamber, according to Sam Pernicano, chamber president.

Twenty-two buses, each carrying 39 passengers, will make the trip to Hollywood. Passengers will be charged bus fare only of $4 a person. There is no charge for seeing the queen show, Lee pointed out.

Arrangements for tickets should be made through the travel agency or through chamber members. The trip will start after breakfast. Arrangements will be made for serving lunch but this will be extra for those who do, and the trip will be made back to Lemon Grove in time for dinner, Lee said.

The show will be held at the Moulin Rouge on Sunset blvd. with Jack Bailey as master of ceremonies. A Lemon Grove woman will be elected "Queen".

"Every woman is eligible," Bailey said. "We require each guest to list her wish on a card and the queen is chosen as a result of what she lists."

POP WARNER TEAMS TO RETURN TO ACTION SATURDAY

Los Toros Pop Warner football players return to action this Saturday after cancelling games last weekend because of the heat.

The Pee Wee B team will play San Dieguito on the Mt. Miguel athletic field at 1 p.m. Saturday with the A team playing Grossmont Pop Warner gridders at 2:30 p.m.

The Los Toros Midgets will play Grossmont at Grossmont high school at 2:30 p.m. with the Bantams opposing Clairmont at Clairmont high at 1 p.m. All other Bantam games during the season will be played at Mt. Miguel.

Pop Warner players, from 9 to 15 years old, play in teams according to their weight. They are covered by insurance and wear standard football equipment. It costs $60 to outfit a single player, and to raise money for uniforms, the Los Toros athletes are selling stickers for $1 in the local area.

Backyard Swim Program Ends Eighth Year

Of the 1,612 children who participated in the Red Cross PTA Backyard Swim campaign this summer in Lemon Grove and Spring Valley, about 480 rereceived official Red Cross safety certificates.

Mrs. Wilda Evins, Valley-Grove area Backyard Swim chairman, said youngseters from 12 local schools took swimming lessons in 73 privately owned home swimming pools.

The program, which began eight years ago in San Diego County, where it originated, now employs 167 volunteer instructors in the Valley-Grove area, according to Mrs. Evins. All instructors are trained by the Red Cross to teach children beginning, intermediate and advanced swimming, with heavy emphasis on water safety, she said. Water safety chairman of the Red Cross Helix Branch is Mrs. Vina Sozzani.

Mrs. Evins said Lemon Grove Junior high and Palm Junior high were organized for the first time this year by Mrs. J. Martin and Mrs. F. Simpson, respectively.

Elementary schools that participated in the program include Highlands, where 43 children were enrolled this summer; Golden ave., 73; Casa de Oro, 198; Bancroft, 185; Monterey Heights, 224; San Miguel, 186; Spring Valley, 69; San Altos, 157; Vista La Mesa, 67; and Mount Vernon, 161. Lemon Grove Junior high had 70 enrolled and Palm Junior high, 179.
